## INSTRUCTIONS FOR NEODYMIUM MAGNETS

- To be kept for a maximum of 15 days.
- Should not come into contact with water (cover with water repellent patches which can be purchased in a pharmacy).
- Precautions: Do not keep near cell phones, computers, ATM machines, or other electromagnetic sources.
- If possible, bring it back during the next visit.

**For further questions, do not hesitate to contact the clinic: +39 031 57578**
